

# Eva the Owlet

## Holiday Moon Wish Activity

To create your moon wish, start by imagining anything you'd love to wish for. Next, grab some craft supplies and decorate your wish on the moon-shaped cutout. Once it's ready, ask a grown-up for help to carefully cut it out and punch out a hole in the top. Finally, attach a string or ribbon to hang up your magical moon wish. Have a flaptastic time crafting!
